REPUBLICANS MAKE GREAT GAINS COMPARED WITH RESULTS IN 1912

WASHINGTON, July 14.—Official figures of recent elections, primaries and registrations in different parts of the country reveal a sweeping Republican gain and corresponding Democratic and Progressive losses. A careful analysis of these figures, just completed, shows unmistakably the trend of political sentiment from Maine to California. The swing back to Republican victory is on.

The figures show that the condition that resulted in the election of Wilson is wiped out and that the readjustment has been favorable to the Republican party in every instance. The total vote in primaries and congressional elections was, in most cases, less than that in the presidential election two years ago, but even in these instances the Republicans gained. In the seventh district of New Jersey, the total vote in the congressional election fell away forty per cent, yet the Republican gain was 98 per cent over 1912. In the second Iowa district, the decrease in the total vote, compared with 1912, was 38 per cent, yet the Republican gain was 27 per cent. In the senatorial primary in Pennsylvania, the total vote was 49 per cent less than the total vote in the presidential election two years ago, but the Republican gain was 21 per cent.

One of the most significant of the returns is that of the Minnesota election for governor, in which the Republican gain was 203 per cent, in spite of the fact that the total vote was 27 per cent less than the vote for president in 1912. A comparison of the votes cast at recent elections and primaries and the results of registrations, with the votes cast for Wilson, Taft and Roosevelt, in 1912, follows:

New York state election: President 1912, compared with chief judge 1913: Wilson, 655,573; Bartlett, 460,375; Democratic loss, 8 per cent; Taft, 455,487; Werner, 597,357; Republican gain, 31 per cent; Roosevelt, 390,033; Hand, 195,097; Progressive loss 49 per cent.

New Jersey state election: President 1912, compared with governor, 1913: Wilson, 178,299; Fielder, 173,148; Democratic loss, 2 per cent; Taft, 88,835; Stokes, 140,298; Republican gain, 80 per cent; Roosevelt, 145,410; Colby, 41,132; Progressive loss, 71 per cent.

Iowa: President 1912, compared with United States Senator, 1914: Wilson, 185,325; total Democratic, 76,413; loss, 58 per cent; Taft, 119,805; total Republican, 140,277; gain, 17 per cent; Roosevelt, 161,819; total progressive, 5,359; loss, 96 per cent. Total vote decreased 47 per cent.

Oregon: President 1912, compared with governor, 1913: Wilson, 185,325; total Democratic, 76,413; loss, 58 per cent; Taft, 119,805; total Republican, 140,277; gain, 17 per cent; Roosevelt, 161,819; total progressive, 5,359; loss, 96 per cent. Total vote decreased 47 per cent.

NOT EVEN A TRYOUT FOR THE
BISHOP BUSHERS IS THE
OPINION.

The Fourth of July exhibition between Bishop and Tonopah on the local grounds was not a ball game, says the Bishop Herald. It was not even a game. As a sporting proposition pinocle would have been perfectly devilled compared with it. The argument put up by the Tonopah bunch of mavericks was as devoid of interest as a debate on the currency question. Even as a work out for the local team the game was a dismal failure. The "miners" couldn't field the ball fast enough to keep the Bishop boys warm. And it was some hot day at that. It is a shame to print the score, but it must be done. Thirty-seven to two in favor of Bishop. Sounds like the result of a game of "one old cat" down on the lot back of the old school house. It was a disappointing game three ways. The crowd was disappointed because it had expected to see a tight game. Mickey Johns, the Tonopah manager, was disappointed because the bunch

of raw recruits he had gathered together were unable to make a better showing. Summers, the Candy Kid, struck out five men in the first three innings. The Tonopah bunch could not hit a thing and the Bishop boys could hit everything. That and the fact the "miners" gathered a large bouquet of errors accounts for the score. Manager Johns accounts for his failure to bring over the regular Tonopah team with the statement that the purse offered by Bishop proved too much of a temptation for his men and they refused, at the last moment, to make the trip.
